OSSTF/FEESO Website Re-Design: Have Your Say!

To: Presidents and All Members

From: Gary Fenn, Interim Associate General Secretary – Professional Services

For Immediate Action

OSSTF/FEESO is undertaking a re-design of the www.osstf.on.ca website to ensure it continues to meet the needs of our diverse membership and supports the important work of our federation. Our website is a key tool for sharing information, resources, and advocacy, and it is important that it is accessible, easy to navigate, and reflective of how the website is actually used.

To support this work, OSSTF/FEESO is inviting all members to participate in a short survey. Your feedback will help guide decisions about content, structure, and functionality, ensuring the new website better serves you in your day-to-day work and union engagement. Member input is essential to this process—your experience and perspective will directly shape the final result.

The survey will be open for two weeks, starting April 1 and closing April 15 at 11:59 p.m. We encourage all members to take a few minutes to complete the survey and share their opinion and experiences:
